

Fig. 1

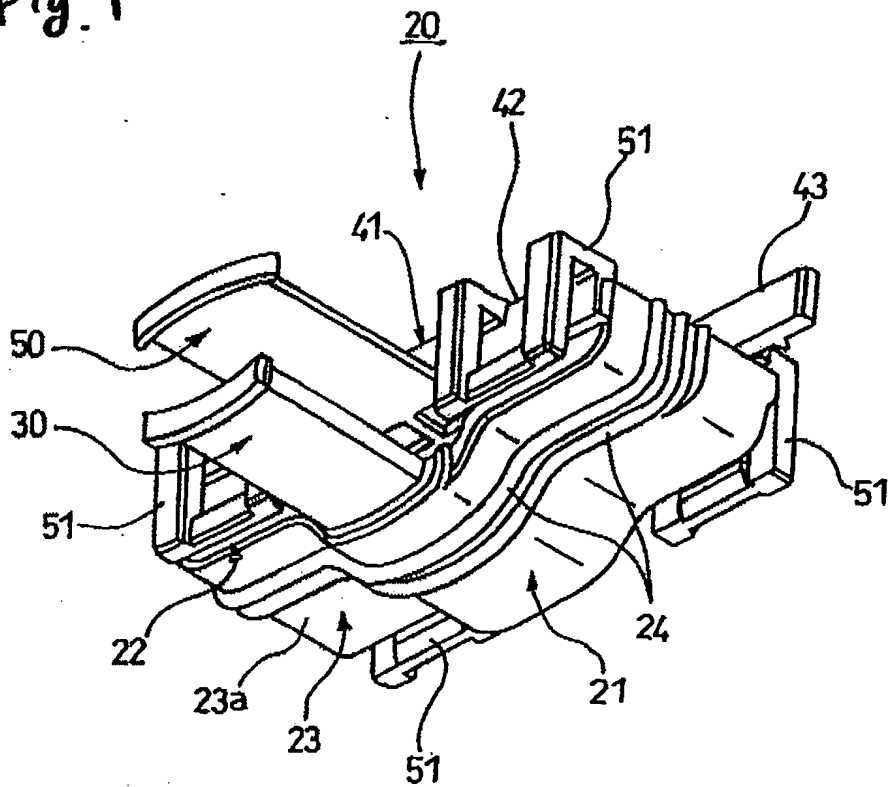

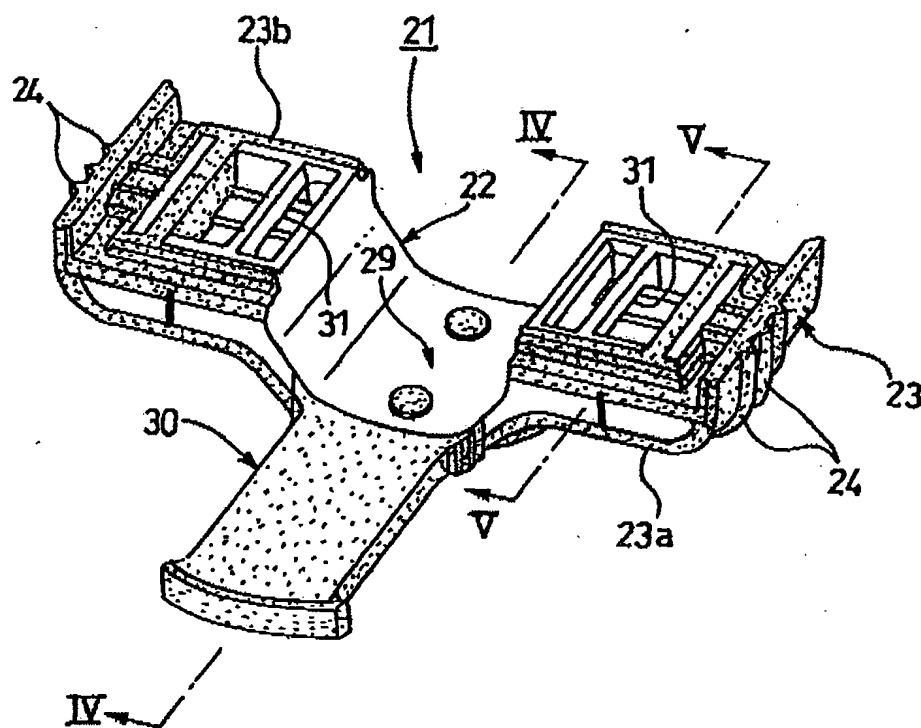

Fig. 2

This diagram shows a cross-sectional view of a mechanical assembly. A base 30 is shown at the bottom. A housing 21 is mounted on the base. Inside the housing, there is a component 22. The component 22 has several internal features: 23a and 23b are located near the bottom of the component; 24 is a central feature; 25a and 25b are located near the top of the component; 27 is a feature on the side of the component; and 29 is a feature on the right side of the component. A bracket 25 groups features 25a and 25b.
